Head Teacher's Hello

Dear all,

**I ❤️
LIVERPOOL**

This is our penultimate newsletter of the year and have lots to share. Year 3 and 4 visited Liverpool as part of their Geography topic...as I was driving I could hear the children chat, it gave me such a chuckle when I heard the children singing the refrain of "Ferry Across The Mersey" and then stated that it must be old as their nanna had sang it to them, to which lots of the other children said their dads and mums had also sang it to them. I have to admit my mum had also sung it to me so I agree it must be old! They had a great time and loved the open top bus tour that followed. We have also had class 2 exhibition on rainforest learning, parents, carers, and children attended and gave the opportunity for year 1 and 2 to explain their learning...it was excellent, and I loved the rainforest facts!

We were also celebrating French Day – wear red, white and blue or any of the above to celebrate our engagement with the French language. Merci beaucoup to Madame Buckley for organising. Year 6 were also selling products that they need to make a profit just like The Apprentice! More pictures to follow.

We are hoping to complete our class dojo target Monday so we can confirm our whole school trips to Dunham Massey, it might be a wet one so we will let you know on Monday if we need wellies and will also text out if we need extra car seats on Tuesday...The children are so excited more details to follow. "Love never fails" 1 Corinthians Mrs Mowbray

We are a church school...

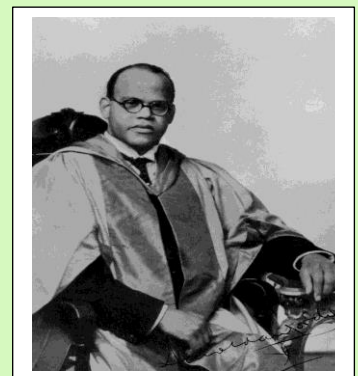

This week we have had a visit from Mrs Swinson our LDST Chair of Directors, she came to share her knowledge of Harold Moody, who was a member of her family.

Harold Moody was born in Kingston Jamaica. He came to London from Jamaica in 1904 to study medicine at King's College, London. It is said that Harold set up his own GP practice, as a result of him being denied a hospital appointment out of racial prejudice.

He became a well-respected and sought-after GP. He was an activist, and Harold's campaigning work bought him to lobby the civil service, trade unions and parliament

to help improve race relations. Harold Moody has clearly laid the ground for racial equality. In 1995 the English Heritage put a blue plaque outside where Harold lived, in recognition of his campaign for racial equality. He was a doctor, activist and leader. **We are proud of you.**

The HEART of our Curriculum:

Our Trust's Prayer
Heavenly Father,
Let peace, friendship and love
grow in our schools.
Send the Holy Spirit to give
excellence to our learning,
love to our actions and
joy to our worship.
Guide us to help others,
so that we may all
Learn, Love and Achieve,
Together with Jesus.
Amen

Learn, Love and Achieve, together with Jesus

Great news our DFE Multi Academy School Evaluation letter is published. Please look at our website under parents and LDST information tab. There is lots to celebrate and the letter shows how all the schools working together is so beneficial to all. Our central leadership is strong and innovative, and we are all unique under the collective umbrella of LDST. Something to be very proud of.

School Council / Talent Show

Glazebury's Got Talent auditions went very well, and the standards were amazingly high.

This made judging very difficult, but we do now have our finalists.

Grand Finalists:

Reception - Whole Class.

Class 2 - Spencer, Cora, Alex.

Class 3 - Alice, Sophie & Jaxx, Lucy, Rory & Evan, Eva & Amelia.

Class 4 - Emily, Joseph, Marco & Joshua, Sienna.

We are really looking forward to the Grand Final on Thursday 20th July at 1pm. Due to health and safety and the size of our hall we have produced 50 tickets, initially 2 tickets per family for the parents and carers of the finalist. Parents and carers can contact the school office to collect their tickets, if there are any remaining tickets once these have been allocated, the remaining tickets will be open for parents and carers of all other children to purchase if they wish to do so.

Important School Meal Notice - Please be advised that the cost of a school meal is set to rise from £2.40 to £2.60 from September 2023, resulting in an overall weekly increase of £1 per child.

This is the first price increase in school meals since 2019 as the council has prioritised supporting families in these times of hardship. Where possible, the council will continue to subsidise services where it can and are looking at support for those families that are struggling but are not eligible for free school meals. Further information on this will be shared in the new academic year.

The three weekly rolling menu detailing each day's main course and dessert, with the additional daily offer of a vegetarian option and jacket potato will remain in place. The school meals service will continue to provide a high-quality service that delivers healthy, nutritious meals, caters for all allergens and dietary requirements, and is served in a safe environment on our school premises. We will continue to offer theme days, treat lunches and inviting families to join children for special lunches through the year.

Games, Board Games and Cards

If you are having a clear out and you have any good condition games, board games, playing cards, Uno etc that you would be willing to donate to our Breakfast and Extended Clubs for the children to enjoy we would be really grateful. Thank you in advance.

Reading Shed - If any parents/carers or if you know anyone who may be getting rid of their sun house or garden shed and are looking for a good home, please contact the school office. We are looking for a shed that we can convert into our new reading shed where the children can enjoy reading.
