'Growing together at the Heart of God's Community'

23rd June 2023 - Our "Value for life" is "Hope".

The value of Hope: "There is always hope. Psalm 73:26

Head Teacher's Hello

Dear all,

Can I start by saying that I recognise how disappointing it was for parents and carers not to be able to attend Sports day due to the weather on Tuesday. Unfortunately, we genuinely only had Wednesday morning that would be an alternative date for this, but the field would not have been, and wasn't drained enough until much later that afternoon. We have so many events, training, and teaching commitments in the days following that staffing of this event would have been exceptionally difficult, instead our children still had the opportunity to enjoy their afternoon and we have posted photos to share.

Some children were absent for our Glazebury record and on Monday we will ensure that anyone who hasn't been in, will get their opportunity in PE to record their score. On Friday 30th we will be giving out more certificates and announcing the ultimate record winners. All scores will be entered into our record book so children can also see if they break their personal record next year.

This week in school we have had Pirates sailing the seven seas in nursery and reception, children in class 2 learning all about Jesus the light of the world, class 3 have been learning how Liverpool has grown as a settlement and will be visiting Liverpool very soon. Our year 6 have also had the opportunity to visit Safety Central, learning important life messages. Lots of learning and fun. We have also launched our Glazebury reading ladder this week ...what will you read?

One of the children asked me why I like being a Head Teacher and I replied "because of You" they looked puzzled and then said "Oh you like phonics!" It gave me a huge smile and a giggle, and I just wanted to share that ray of sunshine with you. Mrs Mowbray

We are a church school...

We have been talking about Arch Bishop Desmond TUTU, He said: "Look at your hands – different colours representing different people YOU are the rainbow people of God, as you remember the rainbow in the bible is the sign of peace and HOPE.

Next Thursday we will be having the LDST Ethos Day, where 6 children from each of our 17 schools will be going to Highfield St Matthews CE Primary to join together and take part in a variety of events all around the Christian value of Hope. The trust has also provided activities for the children to participate back in school too.

We look forward to the children sharing their experiences with us all on their return to school.

Glazebury C of E are proud to host our first "Career Aspiration Day" which will be held in our school hall. Our **HEART** curriculum includes a focus on aspirations. This event will allow children at Glazebury to discover the knowledge and skills they would require for future learning and employment pathways. We would love for our children to experience as many varied careers as possible.

Do you or your company think you may be able to support this event and have the time to attend on Tuesday 27th June in the afternoon?

What does it entail? - If you can attend and possibly bring any information or artifacts that represent your role, or any suitable equipment to bring your career to life. If you can talk to the children and be prepared for them, in year groups, to listen to your expert knowledge and ask questions.

If you think you will be able to help and provide this vital service to expand our children's aspirations Please contact our school office for further details (glazeburyprimary@ldst.org.uk)

Marco, one of our children in year 5 took part in a weekend camp event with over 300 Scouts from across the North West. There was a huge camp fire with the Scouting tradition of silly camp songs. Marco did really well and finished 12th overall. – Well done Marco.
