

'Growing together at the Heart of God's Community'

12th October 2018 - Our "Value for life" is Compassion

The Lord Is Gracious And Full Of Compassion – Psalm 111:4

Head Teacher's Hello:

Harvest time is a time to be thankful whilst also a time of giving to others. The Ethos group (children who help others to understand our Christian values) took our Christian value to heart...literally, and iced biscuits and put hearts on them. The children then went around school and gave every child a biscuit. Sharing and giving to others is part of COMPASSION and they certainly demonstrated that. As one child pointed out Harvest is also a way to show compassion, so as we hand over our harvest gifts it's good to know we are following God's plan and being compassionate together. As always our door is always open if you have any concerns or questions. Mrs Mowbray.

There will be a Harvest Service held at All Saints Church this Sunday 14th October at 11am. All welcome, any donations of fresh veg or fruit, tins and dried food will be very greatly received. All donations will go to the parish and community, Warrington Women's Aid and then onto the Foodbank, many thanks in advance.

The PTA are having a Christmas Fair planning meeting this Wednesday 17th October at 6pm in the Staff Room, we are hoping for parents to come up with some great ideas for various stalls and activities to make the event great for all children.

On Friday 19th October we will be holding a Non Uniform day, can children please bring a donation of chocolate (Nut Free), this will be used for the Bonfire Bingo & leftovers for the Christmas Fair.

Please see attached leaflets for the Exhibition in Culcheth Library being run by the Culcheth Hall Art Group, if there are any children wanting to get involved in the competition please contact the Art Group.

We are a **NUT FREE** school. Please can we remind all parents & carers not to send their child with any products containing nuts into school for either snack or in their lunch boxes. Can we also ask if you bring treats in for your child's birthday that these are nut free too. Thank you for your support & should you have any queries then please call into the school office.

A reminder to bring a healthy snack into school for breaks and that children shouldn't be swapping snacks with each other. Also snacks should be NUT FREE as per the above.

Rev Jan's husband, Gary, is considering running a Free After School Guitar club for the children, however we are short on guitars. If you have any guitars that are gathering dust somewhere and you are willing to donate we would be most grateful.

Please can I remind you that the safety of all children and adults on the roads around school is paramount. We have again had a local resident contact us to notify that one of our parents is still repeatedly parking on the footpath of Whalley Avenue /Queens Drive leaving little or no room for children to walk safely on the pavement or for emergency vehicles access. Please show consideration to others and park safely.

Come along to our exciting After School Club where you can have fun with your friends or relax and read a book. A light snack is served and the activities we have planned for the first week back from half term as follows:

Day	Focus Task	Also Available
Monday	Badminton in the hall	Top Trumps, chalking outside, playing in the garden, outdoor activities
Tuesday	Film Night	Pool, construction, board games, drawing / colouring
Wednesday	I Pads, Laptops	Giant snakes & ladders, colouring activities, giant bubbles
Thursday	Storytelling with Mrs Cunningham	Small world play, board games, basketball outside
Friday	Arts & Crafts	Legos, tray puzzles, drawing/colouring, chalkboard
Every afternoon session children will be supported with their homework & reading
