## 'Growing together at the Heart of God's Community'

12<sup>th</sup> May 2023 - Our "Value for life" is "Creation".

"Let there be light" and there was light. Genesis 1:3

### Head Teacher's Hello

Dear all,

It was heart warming to see so many parents, carers and friends of Glazebury celebrate the King's coronation with or children in our own version of a street party. Although it started out with sunshine, just as we got to start our festive feast it started to darken, and the rain came! At least the flowers were watered... It was wonderful to see how we didn't let that spoil our fun and celebrations and the children have told me how much they loved the bookmark and their "gold" coin. Huge thanks to all the staff and helpers who made this a special event.

This week in school, our year 6 have been sharing their knowledge by completing their SAT assessment tests. I have been so proud and privileged to see how they have approached each test with calm maturity and a real "can do" attitude. Like you, I have always said that as long as the children try their best that's all we can ask. Your children have so many skills and qualities that are not assessed in a test, they have good hearts and are a credit to you all. Mrs Mowbray

"Yes you should rejoice and I ...share your joy" Philippians 2:8

### We are a church school...

This week we have been exploring how we all have a choice when we make things or write or do maths or sport. We can do them as if we didn't care, or we can aim to be the best we can be. If we aim to be the best we can be, we're actually being like God! Because God makes things the very best he can. What are YOU going to do to be the best you can be?

Education update: where we inform on educational research and thinking.

**What are retention/retrieval quizzes?** At our school when we teach a lesson in our foundations subjects (RE, History, Geography, Art and DT, etc) we then assess through 2 or 3 key questions at the end. In the next lesson we build on that knowledge and again assess with an extra 2 or 3 questions – so at the end of the unit of work the consistent questions built up help learning to be retained.

**The HEART of our Curriculum:**

- H** - Helping children prepare for life, growing with God.
- E** - Embracing Christian Values.
- A** - Achievement for all.
- R** - Reading at the heart of our school
- T** - Teaching a knowledge rich curriculum.

**Our Trust's Prayer**  
Heavenly Father,  
Let peace, friendship and love  
grow in our schools.  
Send the Holy Spirit to give  
excellence to our learning,  
love to our actions and  
joy to our worship.  
Guide us to help others,  
so that we may all  
Learn, Love and Achieve,  
Together with Jesus.  
Amen
