10th July 2026 - Our "Value for life" is Wisdom

"For the Lord gives **wisdom**, out of his mouth comes knowledge and understanding" Proverbs 2:6

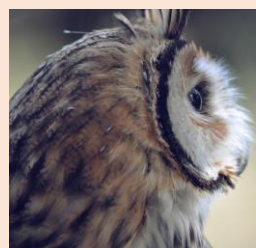

Head Teacher's Hello

It has again been a busy week with sports days, assemblies and auditions! One of the real highlights of this week was our wonderful Aspiration Afternoon for our Year 5 and Year 6 pupils. We were delighted to welcome parents into school to talk about their jobs and share their experiences of working in a wide variety of careers. From explaining what a typical working day looks like to describing the different skills and qualifications needed, our visitors gave the children a fascinating insight into the world of work. Events like this are so important because they help broaden children's horizons and encourage them to think about the exciting opportunities that could lie ahead. It was fantastic to see the children asking thoughtful questions and showing such genuine curiosity throughout the afternoon. A huge thank you to all of the parents who generously gave up their time to support this event. Your enthusiasm and willingness to inspire our pupils made the afternoon such a success. We are incredibly grateful for your support and are already looking forward to making next year's Aspiration Afternoon even bigger and better. Mr Sharma.
