Mobile Bike Mechanic - So now we are back in lockdown and have nowhere to go 😞, more of you are out biking again!! 🚲 The wait times for your bike to be fixed or serviced in a bike shop is on average around 6 weeks. Dan is ready and available to repair any problems you have with your bike and give it a full clean and service. 👍. For all your biking needs please contact Dan Rigler who is offering a mobile bicycle maintenance and repairs service around lots of the North West area and many parts of Cheshire. He will collect your bike and drop it back like new. Please click on the link below to the Facebook page. Look at all of his recent amazing reviews. 😊 He is fully qualified and well known in the cycle industry (He worked at Leisure Lakes Bikes for 6 years as a bike mechanic)

Dan is Cytech trained with vast experience in all aspects of Bike Mechanics.

Social distancing measures will be in place during the collection and drop off your bike and it will be fully disinfected when collected and before delivery back. If you could share the Facebook page, please if you might know of anyone who could use Dans services and also like the page.
