

COMMAS

Can you identify where the commas need to go in each sentence ?

(Remember how we use commas – to separate items in a list and after a fronted adverbial)

There is a bath sink and shower in here.

I need card glue and paint for my project.

We had rain sleet and snow today.

Luckily the rain stopped before the carnival started.

Sadly a lot of trees were blown down in the storm.

Slowly he picked his way across the rocks to the beach.

In the garden we grow carrots, beans, turnips and potatoes.

Despite the bad weather we decided to play outside.

With a smile the lady got up and left.
